

Tacónes

Varietal Composition:

60% Cabernet Sauvignon 40% Merlot

Grapes origin:

Mendoza

Altitude:

850 meters above sea level

Soil:

Alluvial, sandy soils on a stony surface

Viticulture:

Espalier training system. Controlled productions. Hand harvest. Drip irrigation

Comments:

This wine has a vivacious and deep color. The long maceration process lends this wine a perfect balance between fruit and complexity. It is a perfect complement Mediterranean cuisine.
